February 1, 2011

Dear Sponsor,

The Board of Directors of the Carroll Education Foundation (CEF) is pleased to announce its 15th annual charity event, Culinary Celebration 2011, which will be held on October 9 at the Hyatt Regency - DFW Airport. This event is the premiere CISD fundraising event as it supports every school in the district. This fabulous culinary affair will feature over 25 Metroplex chefs preparing their signature gourmet cuisines, which will be accompanied by specialty wines and cocktails. In addition, Culinary Celebration 2011 will offer a variety of unique items to the highest bidder in both live and silent auctions.

As always, the goal of CEF is to continue to meet the ever-increasing needs of our school children and help offset some of the detrimental effects of Robin Hood. The funds raised from each event will provide numerous teacher grants and student scholarships benefiting the children of the Carroll Independent School District.

Join us for this amazing event! As a Culinary Celebration 2011 sponsor, you have a wonderful marketing opportunity for extensive exposure throughout the community. Depending on the sponsorship level you select, your name and logo could appear on all of our invitations, tickets, event media, and the specially designed Culinary Program and CEF Website. We think you will agree that CEF provides an incredible opportunity to promote your business while supporting our children's education.

We're hoping that you will join our mission of Excellence in Education and partner with us for the Culinary Celebration 2011. The enclosed levels of sponsorship outline the unique marketing opportunities and recognition you can receive as a sponsor. All of our sponsors will appear in Southlake Style Magazine, Southlake's Premiere Lifestyle Magazine, and depending on the sponsorship level, may appear more than once. Our committee will be contacting you soon. Please feel free to contact us if you have any questions. On behalf of the Carroll Education Foundation, thank you for your support.

Sincerely,  
Kacy Hankins  
Executive Director  
Carroll Education Foundation
